Stable **t&m: Alexandra Schmal**

em

em (bass and vox only)
Everything I did in my old life crumbled try'n to keep everything in sight.
And every time I gave up and give in, You took my life and built it up again.
‚we know!' (Röm. 5/3+4)

em em/D A/C# C H
Suffering builds up endurance, endurance character, and character hope.
G A C D
It don't make it any easier, Lord please lead me on this way!

Chorus:
em G
Every day and night - stable! In darkness you are light - stable!
A C D
Always by my side - stable! You're stable!
E G
Help in every need - stable! A truly friend indeed - stable!
A C D em
You're everywhere I please - stable! You're stable!

Even though I know you for some time, I get into situations, where I think I loose my mind.
Everything I know then seems so far away. Thanks Jesus, You came in my life to stay!
‚we know!' (Röm.8/28)

em em/D A/C# C H G
that for those who love God, all things work together for good, for those who are called
A C D
unto his purpose. Hey, my love, that's you!

Chorus
