

# Beautiful You

Alexandra Schmal

**C** **am**  
When the wind's chasing the clouds and the sun is coming out,  
**Bb** **F** **C**  
when every single flower raise it's head, then there is You.

**C** **am**  
When the day's about to begin, and all the birds in this old town start to sing,  
**Bb** **F** **C**  
oh, and when I rise and smile with all my heart then there is You.

**F** **dm**  
All the people that I see, the books and papers that I read, the places that I've never been to,  
**Bb** **gm**  
dreams and visions I fell into, all the corners of my mind, the wish of always being kind...  
**E** **F** **C am Bb F C**  
You show me the right view....beautiful You!

**C** **am**  
When silence takes the place of talk, and those who went astray rethink the way of their walk.  
**Bb** **F** **C**  
When every creature in this whole world holds it's breath then there is You.

**F** **dm**  
All the chances that I take, the feelings I learned not to fake, the happiness, when I first met You,  
**Bb** **gm**  
Your boldness and the way You are true, open ears whenever I speak, helping hands that loves to  
**E** **F** **C am Bb F C**  
treat completely made me new...beautiful You!

**F** **dm**  
The things we don't dare to speak out, when we just wanna scream and shout and all the things  
**Bb** **gm**  
noone can see, what's deep inside and don't reveal, yes, only one can touch so deep that every beat  
**E** **F** **C am Bb F C**  
that my heart beats longs to belong to...beautiful You!
