

Thank you

Alexandra Schmal

No one would have thought that something like this would happen.
One day everything's fine, the next day nothing's the same.
While I still had hope, my little one already had gone.
One moment I have life, the next I almost fade.

thank you - for what no one ever did for me
thank you - the comfort and help you have given me
thank you - the love of God that shines through you - thank you!

Never in my life I felt so down and needy.
God is truly good, He was sending you.
With Him you're building me up, praise be to our saviour.
And may he blesses you, your whole life through.

thank you - for what no one ever did for me
thank you - the comfort and help you have given me
thank you - the love of God that shines through you - thank you!

(spoken, chords as in chorus:)

Dear baby Tobias-Tabea,
I'm so glad that I could carry you under my heart. And though it feels that it was way to early that you had to go, I know it was the best for you and probably for me, too. I'm glad that you are back home now with our loving Father, and that you are waiting for me. I'm looking forward to seeing you!
I love you! mama

thank you - for what no one ever did for me
thank you - the comfort and help you have given me
thank you - the love of God that shines through you - thank you!
